

Company Profile

I.T. UNITED (Information Technology United Corporation, www.ituc.com) is the leading China-based provider of software development and outsourcing services. Established in 1998 with headquarters in Beijing, I.T. UNITED has a proven track record with Fortune 500 companies and is firmly committed to global quality standards (CMMI).

I.T. UNITED serves as a technology supplier to global and regional IT companies, and as a solutions provider to corporate and government clients. Key services include: application development and maintenance, business process support services, systems infrastructure, and interactive marketing. I.T. UNITED consistently delivers high-performance results at the most competitive rates, globally. The company employs local talent in its development centers (Beijing, Shanghai, Xi'an), and operates a growing network of offices in North America, Japan and Europe.

I.T. UNITED is an internationally recognized Top 100 offshore player and a "Class A" IT company in China (COSEP). Recent accolades include:

- Recognized by 'The Global Outsourcing 100' ranking for the second year in one row (2007).

- 'Global Services 100': I.T. UNITED listed both in the Top 10 to Watch in Emerging Asian Markets and in the Top 10 of Specialty Application Development Providers (2007).

- Received CSIO Outsourcing Award by the Ministry of Commerce for the second year in a row (2006)

- Recognized by the International Association of Outsourcing Professionals (IAOP) as one of 'The Global Outsourcing 100' (2006).

- Selected as an outstanding IT outsourcing (ITO) and business process outsourcing (BPO) service provider by 'Global Services 100'. Also ranked in 'Global Services 100's China Top 5 list (2006).

- Ranked in CIO INSIGHT magazine's Global Outsourcing Report 2005 as one of China's Top 10 "Major Players".

- Recognized as a "Class A" IT company in China. Government oversight by Ministry of Science & Technology TORCH agency program (COSEP).
